In Brief:

Members are responsible for identifying themselves as members at the time of purchase. No card will be issued – we like to use names.

We keep a record of your purchases. If you spend \$500 (ex. GST)* within a two year period we will give you a \$50 voucher which may be redeemed at our Hobart or Launceston bookshop.

* Every purchase made in or our bookshops, plus drinks (not food) purchased in the Afterword Café will count towards a voucher. *Exceptions to this are gift vouchers, some sale items, event tickets and any items we sell on behalf of charities.*

Each purchase is “live” in counting towards a voucher for two years, after which it expires and cannot be taken into consideration.

Members are responsible for providing us with their contact details plus any changes as they occur so we can advise of any vouchers due, and keep you informed of special Fullers events.

We reserve the right to alter these conditions any time without notice. These conditions are valid as at 16th March 2007.

If you would like to join Fullers Bonus Book Club please PRINT your details below CLEARLY and give them to a staff member. Joining is easy and you can start earning towards a voucher with your next purchase.
