Terms and Conditions: Fullers Ferrets members (or their parents) are responsible for identifying themselves at the time of purchase, to have that purchase recorded. Every purchase made in or our bookshops, plus drinks (not food) purchased in the Afterword Café will count towards a voucher, which may be redeemed at our Hobart or Launceston bookshop. Exceptions to this are gift vouchers, some sale items, event tickets and any items we sell on behalf of charities. Each purchase is "live" in counting towards a voucher for two years, after which it expires and cannot be taken into consideration. Members are responsible for providing us with their contact details plus any changes as they occur so we can advise of any vouchers due, and keep you informed of special Fullers events. We reserve the right to alter these conditions any time without notice. These conditions are valid as at 1 September 2009.
